

Dear Senior Students and Parents,

We would like to celebrate you and your future plans! We will be gathering and posting your stories for your upcoming futures. If you'd like to share with us, please consider any of the following:

- Share a photo of you in your school colors, military or work uniform
- Share Your "decision letter" Day
- Share a story or line about the person(s) in your school who made the biggest impact on your decision
- Dress up and Post a photo of what you plan for your profession to be in 10 years
- Take a second and decorate a door in your home with a pennant or colors of your college or profession.
- Share a positive sentiment or message to all of your fellow graduating Seniors

This information and photos will be shared with the HHIHS community virtually and the state commission on higher education for College and Career Decision Month. We are excited for Hilton Head High School Seniors to be represented and celebrated. Please encourage your friends to submit one of the above mentioned items as well.

Counselors need this information back by May 1st . If you have any questions or concerns please reach out to a counselor and we look forward to hearing from you about all your wonderful future plans.

Please send photos to
