

2017-2018 Welcome . . . HHIHS has a proud history of striving for excellence in all that we do. We have a student population this year of just over 1300 with a full time faculty of 72 teachers, 4 administrators, 4 guidance counselors, a Social Worker, SRO and many other professionals who help make HHIHS special. We recently won Palmetto's Finest Award, The Red Carpet Award, and were again named in The Washington Post as a top high school in the country. This is also the second year in a row that we have received an Excellent-Excellent rating on our state report card. I invite you to take a look at our web page and become familiar with our policies, our staff and the many opportunities HHIHS has to offer our wonderful students. Our goal is to provide our students with an excellent education and to make their high school experience a rewarding one. I appreciate and welcome any suggestions you may have for us to improve our school. I also invite you to come by and visit us, volunteer in a classroom, or just come be a part of our team.

Here's a little bit about me...
