

Subject: State Choir Competition

Good afternoon,

On Wednesday, March 22, the Seahawk Singers traveled to Columbia to compete in the State Choir Competition. Odds were against us a little as we moved up a division from 3A to 4A and we were competing against choirs that had upwards of 120 students in them. After a very successful performance and receiving a rating of "EXCELLENT", the Seahawk Singers placed 7th out of the 30 4A choirs in the competition.

You would have been proud of the student's representation of our school. They were professional, focused, and respectful through the entire event.

Happy Friday!

Josh
