Spring 2019

Parents/Guardians:

We are excited that you are considering Hilton Head Island High School for your student. We want to share with you how information is obtained and our transition process so that you can plan accordingly.

We are a school of over 1300 students so information is provided for those considering to enroll in the following ways:

For the best up-to-date information there will be a Parent Night for new students on May 8th at 5:30pm in the SCC (Seahawk Cultural Center) where we encourage all new families to attend for a presentation from various departments within our school.

To be enrolled and scheduled for courses, this is the policy: Enrollment packets will be available April 15th, 2019 for the 19-20 school year. Once a COMPLETED enrollment packet is received, the family will be scheduled for an enrollment meeting in order of receipt. Meetings will start when counselors return from summer break (August) without exception. Your elective choices and transcripts will be evaluated at this meeting, not prior to that time. Scheduling core classes (at your student's appropriate rigor level – CP, Honors, AP/IB) is the priority at the enrollment meeting. Elective choices will be based on availability at that time. To prepare to select courses, the Course Catalog is available on the Beaufort County District Website at: <https://beaufortschools.net/cms/One.aspx?portalId=170925&pageId=16679563>.

Many families request school tours; these are offered Monday afternoon's at 1pm. Tours are organized by the Principal's Secretary Ms. Dabule. Contact Ms. Dabule directly to reserve your spot in advance at 843-689-4921.

HHHS is the only high school in the Beaufort County School District that offers one of the world's most challenging and well-respected programs, the IB Diploma Program (IBDP). The IBDP is an intensive 2-year program where students take a full course load of advanced college level academics beginning at the start of junior year. To learn about the IB Diploma Program in detail you can schedule a meeting with our IB Coordinator Ms. White at 843-689-4862.

Remember to be in contact with your current school's counseling office to ensure any credits you wish to bring to Hilton Head High will be included on an official high school transcript. Some schools do not offer the opportunity for 8th grade students to transfer their high school credits to a new school.

With questions or for more information we encourage you to speak with our School Counseling Administrative Assistant who handles all things enrollment. Ms. O'Sullivan can be reached at 689-4922 or Katie.O'Sullivan@beaufort.k12.sc.us.

Regards,

HHHS School Counseling Office
